

In Kind Sponsorship Request

Dear Friend of Boys and Girls Clubs:

The mission of the Boys and Girls Clubs of the Great Lakes Bay Region (BGC GLB) is to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens.

As part of that commitment, we strive to offer quality events to involve our members, the community and raise much needed funds for our clubs to operate.

We are asking your help to provide in-kind prize support to help create a successful event. We appreciate anything our participants will enjoy. From gift cards, to golf clubs and tickets to TV's, we appreciate your donation.

We hope you will help us celebrate by attending, sponsoring or providing an in-kind gift for our upcoming event!
